= 4th of July Hula Train

- 🇺🇸 Eric Dubey and his family paraded around on their converted cart that resembled a train with welded steel wheels, a hula skirt, and a blowing train whistle!
- 🇺🇸 Jay Beals rode along on his patriotic cart with a hula girl cut out on back while his grandchildren passed out leis.
- 🇺🇸 Lilli DuVal's cart was decked out in full Hawaiian theme along with a Rotary wheel provided by the Rotary Club of Dixon.

Thanks to those that participated and decorated!

What is Relay For Life?

Relay For Life is the American Cancer Society's signature activity. It offers everyone in a community an opportunity to participate in the fight against cancer. Teams of people camp out at a local high school, park, or fairground and take turns walking or running around a track or path. Each team is asked to have a representative on the track at all times during the event. Relays are an overnight event, up to 24 hours in length.

Teams of people from all walks of life have fun while raising much-needed funds to fight cancer and raise awareness of cancer prevention and treatment.

No matter who you are, there's a place for you at Relay. Relay For Life is a life-changing event that brings together more than 3.5 million people to:

- Celebrate the lives of those who have battled cancer. The strength of survivors inspires others to continue to fight.
- Remember loved ones lost to the disease. At Relay, people who have walked alongside people battling cancer can grieve and find healing.
- Fight Back. We Relay because we have been touched by cancer and desperately want to put an end to the disease.
